

22Z01 Jan Student Update

Hello my friends. I hope everyone is doing well. I know it seems like this pandemic will never end. God is still in control of everything. Trust God and put God first in everything.

First, order of business. Assessments or Proof of enrollments and Letter #3 are due Feb 1. If you need an extension then I need that email me before Feb. 1.

Please only email messages to us. Requirements must be submitted via the google drive links that Joy has sent you.

One last thing, make sure you use the same email address you gave us on your applications. If you use another email address, then the system may not log your uploads. Please be careful to follow all the instructions.

Enough of business.

Most of you have started your new semester by now. Let me know how you're doing. 2022 is a new year with new possibilities. We need to remember to be thankful to God for everything this year.

So, before I go today. I want to read Micah 6:8. I'm going to read from the New International Version (NIV). *He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly a with your God.*

This is just one of those beautiful scriptures. So simple. God asks very little of us. Do justice, love mercy and walk humbly with your God. Keep your focus on Jesus and Trust God. If we can do this, God has promised we will have a satisfying full life. And that's all any of us can ask for. Don't chase after the things of the world. Do what is right no matter the consequences. Be kind to everyone regardless of whether others are kind to you. Be humble before God. Because He is God and you are not.

God loves you. Don't forget that. You don't have to care what other people say or do to you. You only need to satisfy one, your Lord and Savior Jesus Christ.

Let's Pray. Father God, Thank You God for everything. Every experience, every person. I am thankful for everything. And help me to show others kindness even if they don't treat me well. Thank you for forgiving me when I mess up and help me to ask others I have hurt for forgiveness. I know you are with us when we face challenges and I will trust you Lord.

I pray for each student, that they trust you Lord. I pray they surrender to You and let you guide their paths and decisions. Help each of us to mold our hearts and

desires to Yours Father. And I pray your will be done here on earth. I know you are at work in their lives. Help them to see you Lord Jesus.

I pray this in your name, Lord Jesus Amen

Again, Students. I am so glad we have this time together. No matter what we face, I know our God is Bigger and Stronger than anything we face. So don't fear anything in this world. I Love you and I am proud of you. God's Blessings.

Until next time. I pray for Joy, Hope, Peace and Assurance from God for each of you. God bless.
