

22T13z PREVIEW Assurance

Hello my friends. Thanks for joining me today for a PREVIEW @ the PUNLA Coffee Table.

I have an important question for you. Are you 100% confident you know what will happen when you die? What I mean are you sure you are going to heaven. Whether you are Christian or not, many have questions about this. My wife sees this a lot at her work in the hospital. Faced with death, most people desperately cling to this life as if they are scared or at least uncertain about what happens next. Is that you? It does not have to be. You can be sure.

We were discussing this and wondering, how can we help others to find the peace and assurance that we have? We, meaning myself, my wife Judy and sister Joy. See Joy had cancer and faced death, she had peace. This was confirmation she had confidence in God. My wife has faced personal struggles and found peace in the middle of those struggles. This was confirmation she really trusted God. Myself, I too faced death with COVID and extreme pain with kidney complications. I had peace despite what I was going through which was confirmation I had surrendered everything to Jesus.

So how? How does someone find this peace that surpasses all understanding and have absolute confidence in God and God's plan? I'll be honest this is a very personal journey for each person, but I can assure you don't need a near death experience to get there.

In this series, we are going to share our path in an effort to help you find that peace and assurance that God has promised all of us. I'm going to ask you four questions and then explore them one at a time together;

- 1) What happens when you die?
- 2) What is the Choice?
- 3) How to Live?
- 4) What is Assurance?

Father God, thank you for assurance. Please guide our discussions as we discuss how we can have absolute peace. True assurance in you, Lord Jesus. I pray these things in your name Lord Jesus, Amen

Thank you for joining me for PREVIEW @ the PUNLA Coffee Table today. I hope you will join me for our series Assurance

See you next time @ the PUNLA Coffee Table. God bless.
