Listen/Read to Mark 10:32-52 using ASND/TCB

Jesus Predicts His Death 3rd time Mark 10:32-34 (Matt. 20:17-19; Luke 18:31-34)

1) Is the statement of Jesus confusing? Why didn't the disciples understand?

Possible answer: Like us, the disciples had an idea in their head, they did not listen to Jesus words. We should learn to listen to what the Bible says instead of what we've been told it says.

Sons of Thunder - Mark 10:35-45

2) Why did James and John ask this?

Possible answer: They did not understand what the kingdom of God was. I've heard that the left&right may refer to the criminals crucified on either side of Jesus.

Blind Bartimaeus - Mark 10:46-52

3) We should never let the crowd stop us from reaching for Jesus. Persistence is rewarded

HOMEWORK for next week:

1) Read Mark 11:1-33
