### God Expects Us to Live the Way He Wants Us to Live

### Mark 12:1-27 (Group Study)

Listen/Read to Mark 12:1-27 using ASND/TCB

**Parable of Tenants** Mark 12:1-12  
(Matt. 21:33-46; Luke 20:9-18)

1) Who is Jesus talking about?

*Possible answer: The Jewish leaders are the tenants, who have mistreated the servants of God and are about to kill the Son of God. God is going to establish the New Covenant with Christians.*

---

---

---

**Taxes** - Mark 12:13-17

(Matt. 22:15-22; Luke 20:19-26)

2) Is this really about taxes?

*Possible answer: No, everything belongs to God, but what a masterful way to expose their trap.*

---

---

---

**Resurrection** - Mark 12:18-27

(Matt. 22:23-33; Luke 20:27-40)

3) Jesus says God is the God of the living, Abraham, Isaac and Jacob?

*Possible answer: Jesus is implying that Abraham, Isaac, and Jacob are alive in some sense. Which is why some Christians believe we are resurrect immediately after death. Another possibility is Jesus is referring to be passing from death to life through faith in God (Jesus)*
